

## AmTrust's "Top 60" Preferred Class Codes for CA

AmTrust North America has partnered with Next Wave Insurance Services to offer California agents access to AmTrust's three primary carriers for monoline workers comp coverage in CA. Utilizing AmTrust's subsidiary carriers, **Wesco...Security National ...and Technology Insurance Company** (A.M. Best Rating "A" IX) we're able to write a wide array of small to mid-size businesses. While AmTrust targets over 350 eligible classes, the following are the "Top 60" preferred class codes in California and qualify for their most competitive tier:
